

Worry Free Bookkeeping at Cassells & Associates, CPA

Shift the Burden of Bookkeeping From Your Shoulders to Ours

Allow us to handle this critical but time-consuming function off-site. You can simply upload your financial information through our secure client portal found on our website and let us handle your daily accounting needs. You will have a quick and accurate picture of all your business activity anytime, anywhere.

We take the guess work out of your financial status. Rely on our staff at Cassells & Associates, CPA for bill paying, sales deposits, bank statements and credit card reconciliation, payroll processing and payroll tax filing, financial statements, and individual and business tax planning and preparation.

Outsourced bookkeeping makes smart financial sense. Reduce your overhead costs by eliminating a specialized employee dedicated to overseeing the books. With your trusted advisors on the job, there is never a worry about the reliability of the data.

Your stress is eliminated. [See Demos](#) & read fact sheet about our [web-based cloud computing](#)
