

Worry Free Payroll Solution at Cassells & Associates, CPA

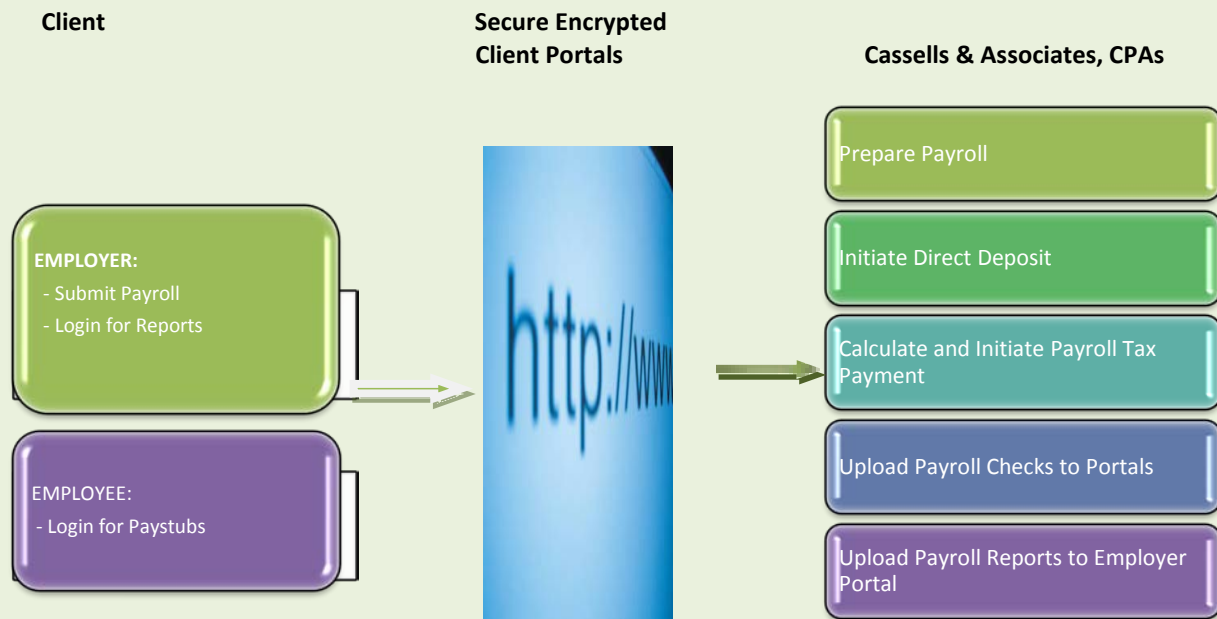

Cost Effective, Time-Saving, and Proves to be Worry-Free

You & your staff handle bills and deposit – Cassells & Associates, CPA take care of the rest

Change the way you handle payroll, so you can get back to doing what you enjoy best—running your business. Outsourcing this function to Cassells & Associates, CPA is cost effective, a time saver, and proves to be worry-free. If we're handling all your payroll responsibilities, there's no need for a specialized employee dedicated to this task and no maintaining your own payroll system. Payroll laws are constantly in flux—staying compliant can be a challenge. With our team of professional CPAs on the job, you can leave those worries to us. At Cassells & Associates, CPA we will assign a dedicated payroll expert to work with you throughout the payroll process to ensure continuity, thus reducing errors.

As technology leaders, Cassells & Associates, CPA offers this service electronically, saving you time, money and reducing costly mistakes. Simply fax, email or upload your payroll information via a secure portal and our experts will process the data and deliver all services over the internet. As your payroll partner, we will address all your needs, including check processing and printing, direct deposit, W-2 processing, filing up to-date quarterly and annual payroll taxes and reporting. Your employees will enjoy secure online access to their pay check stub information and W-2s—saving you hours in distribution time.
